The undersigned authors hereby agree that **Health Science & Innovation Lab** ("Publisher") has no responsibility over the content of the manuscript titled above.

The undersigned authors warrant that:

1. Originality of the Submission

- The submitted manuscript (including text, tables, figures, graphs, images, and any other related content) is original and has not been submitted to another journal for publication, nor has it been published before in whole or in part.
- If the manuscript has been published in whole or in part, all necessary permissions have been obtained for publication in Health Science & Innovation Lab, and original copyright forms and other required documents will be provided to the Publisher.

2. Using Third-Party Materials

The authors guarantee that the article does not infringe any personal or property rights of others and accept full responsibility for the content of this manuscript and all related legal obligations.

3. Copyright, License, and Rights

- By signing this form, authors agree that the article, if accepted for publication by Health Science & Innovation Lab, will be licensed under a Creative Commons Attribution-NoDerivatives 4.0 International License (CC BY-ND 4.0).
- This license allows others to reuse the work for any purpose, including commercially, as long as they give appropriate credit to the original authors and the Publisher, and as long as they do not distribute modified versions of the work.
- For further details of the license, please see: <https://creativecommons.org/licenses/by-nd/4.0/>.
- The authors retain all patent and other proprietary rights to the article, including copyright.

4. Validity of the Agreement

If the article is not accepted for publication by Health Science & Innovation Lab, this agreement will expire, and the Publisher will have no further rights over the content.

5. Authorship

Health Science & Innovation Lab adheres to the ICMJE recommendations on authorship, which include the following four criteria:

1. Substantial contributions to the conception or design of the work, or to the acquisition, analysis, or interpretation of data.
2. Drafting the work or revising it critically for important intellectual content.
3. Final approval of the version to be published.
4. Agreement to be accountable for all aspects of the work, ensuring that questions related to the accuracy or integrity of any part are appropriately investigated and resolved.

All authors must fulfill the first three criteria. Contributors who do not meet all criteria should be acknowledged in the "Acknowledgements" section.

The undersigned authors certify that they qualify for authorship according to the above terms.
